“ I have so many great memories of Marilyn. My parents (Pat and Don Hoffmann) would always set up next to Marilyn at the Wheaton all-night-flea market. When my parents passed, I continued the tradition with Marilyn, Keri and Heather ( her granddaughters). Marilyn always had great stories, and as the night got longer, her stories got better.

Marilyn and I worked on her family genealogy from time to time. She even took one of the Ancestry DNA test. Through Ancestry she was able to contact some distant relatives. She did get some answers from the DNA tests that had always wondered about. She was always there when I needed someone to talk to. She would always tell me to cry if I needed to. She was like a second mother to me. I will truly miss our time together, her words of encouragement, and her Christmas dinners.

*Rest in Peace Marilyn*
