“ *To the Family of Marilyn Spieler:  
I learned of Marilyn's passing just today (12/9/16) and wanted to reach out to let you know what a role model she was to thousands of Illinois hospital auxiliaries, volunteers and directors of volunteers. I had the honor of working with Marilyn as part of the Illinois Hospital Association's Constituency on Volunteers and Illinois Society for Directors of Volunteer Services. Marilyn served as the state leader of both of the organizations. She was smart, organized, gracious, and kind. I was blessed to know her and to have her as a professional mentor. She will be missed by many and will always hold a special place in my heart. God Bless all of her family and friends and may she rejoice in heaven knowing she made a difference in this world.*
