“ My deepest condolences to Mark's family. I worked with Mark at Stratos International 15 years ago. Mark was one of the kindest and selfless individuals I have ever met. He was always so positive and knew just what to say to make you smile. Back at work, Mark would jokingly ask "is it time to go home yet?". Mark is home now, may he Rest In Peace.

“ I am sorry to hear of Mark's passing and want to share my condolences with the family and friends. Mark and I worked at Motorola together 20 years ago. He was a teammate of mine playing volleyball on Motorola campus in the company intramural leagues, being the key organizer and captain of our team. I have many fond memories of Mark as we played volleyball over the years, and was sad to see him leave in 2004. We had great times together and was always entertained by Mark's outgoing and larger-than-life personality. It was always a good time when Mark was with us. He will be missed.
