“ *Martin was the BEST BROTHER I could ever had.
I will never forget the loving and caring way he always gave me his support during the most difficult times of my life.
Some of the many memories of Martin I have are:*

- *Loved having him over and cooking him his favorite foods and salsas*
- *Going over his house and seeing him how he enjoyed doing his cookouts. He was always a great host*
- *Seeing him joke around with everybody and dance with such joy*
- *Always complementing everyone*
- *Loving and playing with his grandchildren - BEST GRANDPA ON EARTH!*
- *How he got excited when he was playing dominoes or 21 while he listened to his favorite music and sang along*
- *How he loved my children like they were his own - and my children loving him so much as well - BEST UNCLE ON EARTH!*
- *Martin loved his wife, children and grand kids so much - they were his world.*

My brother, you leave us with great memories and a legacy of love.

Rest in Peace in Jesus' arms - until we meet again in Heaven.

Always in my heart,

Your sister Norma Patricia Correa

“ My Tio Martin was such a light in this world. Everyone who knew him could testify that he only spread good wherever he went. He always found ways of uniting the family to celebrate life, and always received us to his home with open arms. My Tio taught me so much about family and love, I hope I can love as deeply and fearlessly as he did. He loved us like we were his children and was always there to show support and encouragement. I will cherish the memories we had together forever- the hours playing dominos, sharing so many meals, and playing with all the kids he loved so much. Our hearts hurt knowing that he is gone, but we can rejoice in knowing that he is not in pain and is watching over us. We must make him proud until we see him again. I am so grateful to have known such a person that hurts this much to let go, rest in peace Tio.

“ *My Tio Martin was the most fun, loving, and optimistic person I've been blessed to know. I will miss his jokes, taking tequila shots in his basement together, laughing and cooking together. He was so inspiring and supportive of everything I tried to do. I know he was so proud of my siblings and I. I will continue to make him proud every day. I'm going to miss his smile so much and his hugs.*

I know he would have wanted us to be focus on the positives and celebrate his life. I am so grateful for all the memories we had together. I loved him like a father and I am thankful for the time we spent together.

We will get through this as one big family of all those who loved him. God bless you Tio, I love you so much, rest in peace.

“ *Mi mas sentido pesame a la familia Ayala por la perdida tan grande. A pesar del dolor que esto me causa agradezco a Dios por el tiempo que formo parte de nuestra familia y por todos los momentos felices que compartimos, por las enseñanzas de vida que nos dejo que estuvieron llenas de alegrías y tristezas y que pudimos pasar juntos. Aprovecho tambien este momento para reiterar mi apoyo incondicional a su familia y espero en Dios algun dia verlo jugando en el reino de Dios donde ya no habra tristeza, dolor ni muerte.*

Descansa en Paz compadre.
