“ Aunt Mary was the rock foundation of her family. Many times during our younger years myself, Kevin, Mary and Joe would spend a lot of time at her house, which became a second home in the years preceding my Dad's death in 1972. The house was always full of kids, but 3 or 4 never seemed to matter. She always welcomed us with open arms, her and Uncle Jim always made sure that were taken care of and I will be eternally grateful for that. There is a special place in heaven for Angels of her magnitude.

The Buckley Family will always hold a special place in my heart. Time and distance cannot fade the memories that are permanently etched on my heart.

With all my Love
