“ I am so sadden by the death of Mary. She was a wonderful friend and lady. I worked with Mary at Mooseheart for many years. We traveled to conventions together and stayed together for fun after the convention was over I have so many fond memories of Mary and I together. We did many crazy but fun things together that I will never forget. I'm only sadden that I live in Tennessee now and haven't been able to see Mary for quite a few years. She was a remarkable person and I will truly miss her. To the family I know that you will miss her dearly but also have so many wonderful memories and the love she gave you all. God be with you and know she was loved dearly by many. Barbara Pfaff a dear friend
