“ Hello, Teresa - I very much enjoyed meeting you and your Mom, when I came to give her Last Rites. It was fun and remarkable to see how much spunk she still had!

Thank you for continuing your Mom's invitation to participate in the Funeral Mass today. I had hoped to do so, but found that I was already committed to a scheduled Mass at one of the nursing homes.

My prayers for your Mom, you, and all your family are that God will bless you all in the way that He knows best!

“ Last Thanksgiving 2018 I had the opportunity to spend time with Mary at her home. Theresa her daughter had taken me to the annual craft show fair and we stopped by to see Mary afterwards. She enjoyed showing me all her beautiful handmade afghans. She was so happy sitting in her chair knitting. After that I got a call from my sister in law Theresa asking if I wanted an afghan. And I said "I would love one." I can't help think that Jesus knew that this would be something I would treasure in the year to come. I am sure many of you have received gifts from Mary. She was such a talented woman and so hard working with a frankness about her. She is dearly missed. And I'm thankful for my afghan and Christmas tree skirt. The one word that comes to my mind about her is "Handmade Love."

“ Mary was a fun “character” in our LOWs group. She often had us in stitches with her unexpected dry comments. I was touched that she always remembered my birthday with a card including one a couple of weeks ago. She will be missed. Cathy Strawser
