“ To all you "Hepp Kids,"
What a mom! This lady wrote the book.
She was a great "big sis" to a smarty-pants
12-13yr old while working at the library and
especially after moving to "The Farm," where she
welcomed me as a "City Mouse."
I lost touch with most of the IL and IND Hepps
after our move to FL, but always heard stellar
news about the JJ's from my folks.
M.T. will always be remembered with love.

“ As a 9 year old patron of the Avalon Park Public Library I had a mad crush on Mary Therese, I had no idea then that we were cousins. She guided me in my reading and secured an Adult Library card for me when I was only 10.
