“ *My heart just aches for all of you. There are no words to say, but know that I love you and am thinking about you. I remember when Mary and Matt came over for a pay per view, and Mary and I were the only "girls." She held her own with all those boys! And I remember how much she loved our little cat, Davy. So gentle and sweet with animals. Most of all, I remember the pride and joy when both Matt and Mary became "official" in one of the most loving families I know. She was blessed to have you as parents, and you are blessed to have her as a daughter. With love, Lynnette and the boys*
