“ Just everything about Mrs. Olson. Her calm, kind and inquisitive demeanor. The Olsons are my second family. I was in town last week and it breaks my heart that I could have been there for the funeral. I was busy thinking about the needs of my own aging parents but Mrs Olson and the rest the family crossed my minds several times. I am just sorry I didn't pick up the phone and dial. My heart is broken. All I can say is that the Olson family was so lucky to have such a wonderful mom. I know you know it! I wish all of you peace and wonderful memories to carry you through this difficult time. I love you all and I won't forget you the next time I am in town
