“ Mary was a longtime friend to me at Dreyer. I treasure the wonderful memories I have had over the years. She had the unique gift of making people laugh. That's what I remember most about Mary - that and our ice cream treats at Colonial even in the dead of winter. She was the smile behind the reception desk that endeared her to all the patients who waited (sometimes not so patiently) to be seen. Her kindness and compassion brought comfort to so many patients. She touched so many lives, and I am so grateful that she touched mine. She is one of the first persons I plan to reconnect with when I get to heaven! Her life was truly a blessing.

My condolences to all the family.
