“ Mrs. Tappan was always like my second Mom growing up, and even after I left Aurora as an adult and came back to visit and hang out with my best friend Cindy. I will always remember Mrs. Tappan's many kindnesses, her sweet nature, and ever-present smile. Heaven has welcomed another angel.

“ My grandmother was a wonderful lady. She would do anything for us kids- she had a heart of gold. One of my favorite memories of her was when my parents would go out we would beg for her to be our babysitter. We would play Nintendo Mario Brothers with her and it would be the funniest thing, she would move the controller up and down as if the controller actually moved Mario. When in fact it was the buttons that moved him. We would laugh together about it. She loved playing that with us and she would also love Skip-O and would usually win. I remember too that we couldn't wait to go to grandma's house to eat... This woman would bake and cook for an army. There was always way too much of her yummy cookies, cake and potato salad around. We would be sent home with containers full of food. Another great memory of mine is in 1994 when my parents drove us 5 kids and grandma in an Astro van to Disney World. Very brave grandma she was. We dropped her off in Tampa to see her sweet Sissy Norma & mother whom we finally met. She hadn't seen them in over 20 years. It was a great reunion to see those woman embrace each other.

My grandmother dedicated her life to her husband, children, & grandchildren she gave us her full attention, she was not only a house wive....she was the Heart & glue to our family. This quote describes my grandmother perfectly... " NOTHING IS SO STRONG THAN GENTLENESS AND NOTHING IS SO GENTLE AS REAL STRENGTH." -Ralph W. Sockman

Grandma I will miss you to the ends of the earth! Thank you for the lessons you taught me & your kind heart you showed me.

I love you!

Your granddaughter,
