*"Sister Mary Jo I learned from you greatly. You were an amazing teacher and friend. When I was the new teacher on the block, you were always there to help me. I will always remember the good times we had. (I will cherish all your stamps that you used to put on yours students papers.) You always had a postivie attitude and lwill miss that chuckle and laugh. You will always have a special place in my heart. Amy Johnson*

“ Sister Mary Jo was an amazing 5th grade teacher. She connected with me on an emotional level when I was dealing with some pretty heavy issues. She even asked my family a few years back about my whereabouts and how I turned out. Heaven gained another angel on Monday. I will remember her always...

“ *Sr. Mary Jo was my second and fifth grade teacher at Annunciation. I have extremely fond memories of Sr. Mary Jo...especially teaching us handwriting in second grade. I remember helping her clean her classroom at the end of every school year and she would give Amy Gette and I old teacher manual books to play school. I love you and already miss you!*
