“ Mike has been my best friend for 44 or so years. The day I met him I knew we were going to be buddies. We hung out all the time. I really enjoyed going to John and Tillies house, they always made me feel so welcome. They seem to always have some family or friends around. Tillie always welcomed me with a warm welcome, you see between Mike and me, I was always her favorite ! I have so many special memories of Tillie, so many special times camping and traveling. I am going to miss Tillies voice on the phone saying "we love you honey" when I would call them from Denver. MY deepest heartfelt sympathies to Mike, Dave and their families. All our love Steve Buchner and family

“ I remember "Nana"(great grandma) always having a smile on her face. We would go to her house for certain holidays and just enjoy the familytime. She was such a strong and beautiful woman. No one will EVER be able to replace her. I remember going over there just to visit and to just cherish all the time we spent with her. And yes i cherish every single moment i've spent with her . She's irreplaceable. Nana, i love you so much. You lived an amazing lifestyle and lifetime. You sure are to me inspirational, someone to look up to and i'm able to say oh i want to be just like you. Thank you for all that you have done for me and everyone in the family. We all love you and care about you. I love you so much. -Brittany Coldwate
