“ I cannot believe I will not be able to look out the back window and see Mike outside mowing the lawn.. He was always had a smile and ready to say hello. I truly know what you are going through since Al passed away on March 25. It is not easy but with faith and perserverance, we will both get through this experience. There is no doubt that he is in heaven ready to join in one of the most special days there, Easter. May God bless you and if you need anything, just walk across the yard.

I will miss your smiling face, Doc. The club will never be quite as full of life again. I hope you know how very much you were loved, and how much you will be missed. Thank you for always making me feel better if I was down, and when my Dad was sick. Godspeed. Love, Trish Alvis
