“ Dear Lori,
This is Michael's Uncle, Harold (Mary's brother), from Georgia. I, my son, and wife send out the best of wishes and prayers for you and others. We are sorry to hear about Michael's passing. Indeed, he shall remain a tremendous nephew of mine within my heart. My memories of him continue to make me smile in happiness. I pray that you and others strengthen from memories with him and from this occurrence, for we both know that Michael now looks over (and protects) us from above. Take care of yourself, Lori.
~Sincerely,
Uncle Harold, Chris, and Juanita

“ Lori,

I'm so sorry to hear about the passing of Mike. I had the fortune of working with him at UniCare. Mike was one of the first people to welcome me to the team energetically with open arms.

I have some great memories working along side Mike. One of my favorites was an outing on Lake Michigan where we got a chance to tell some great stories, enjoy the warm summer day and cook up a few steaks for dinner with a dozen other friends.

Mike will be missed.

Sincerely,

“ Lori,

I enjoyed working with Mike at UniCare when we were just a small office with a dozen people and then grew to a larger team in the ensuing years. Mike was personable and enthusiastic about his role there and I remember walking him through how to utilize Word, cutting and pasting and utilizing the same document over and over again instead of re-creating it each time he did it. That was original Mike and then you got to see re-created Mike after that point. When he saw how easy it was to use the document over and over again, he embraced that concept and started firing away those e-mails over and over again! I also remember his always standing up when he was on the phone and he had to have a 20 foot phone cord in the office as he would walk back and forth and get excited about talking how he could add another ancillary line to one of his cases or conversing with a broker or employer contact. That was "Energized Mike".

That will be how I picture Mike---always active as I am sure he will be when he is looking down toward you and his family/friends. Many of us will see someone who looks like Mike, or see someone who has his perfectly-manicured hair and smile and then we'll know that was just Mike just trying to send us a message to have a good day and appreciate memories like we all have had with him through the years! He will be missed, Lori.

“ Dear Lori

I am absolutely saddened of hearing of Mike's passing. I had the pleasure of working with Mike at UniCare for nine years. He was always telling stories and cracking jokes. From his beloved cat stories to his favorite snack of sliced tomatoes with salt, he would love to talk about anything. There was never a dull moment in the office when he was around. He had a larger-than-life personality and he will greatly be missed. My thoughts and prayers are with you during this very difficult time.

“ To My Aunt and Godmother, I am deeply sorry for the loss of my most favorite "Uncle Mike". He was a wonderful man, a great uncle, and someone I will never forget. He was very special to me and my whole family. I will never forget the fun times we had, the moments we spent together, and the nights he made me laugh. He will never be forgot, always be missed, and forever be loved. He willl always be my "Uncle Mike" which means so much to me and my kids. I will always be there for you and dearly miss him. May he be in peace where we all want him to be, Even though I will long for the day I am with him again. I love you Mike and always will. Love your niece, Stephanie

Lori, I'm so sorry for your loss. I know words can't sufficiently relieve the extreme grief that you are feeling..I will be praying that God will comfort you and wrap His arms around you, hold you safely under His wings and comfort you with His Holy Spirit and fill all the lonely spots in your heart. Please be sure that you are not alone in your pain..that your family, your friends and all those who loved your husband share in your pain. I can only tell you that in time, as you lean on Jesus for your support and cry to the Lord..He will be faithful to heal your heart as He catches every tear that you shed and cries along with you. Please remember that Jesus is as close as the mention of His name and He is a friend that sticks closer than a brother. Eventually you will be able to remember the beautiful times you and your husband were able to share together and look back on them with joy instead of sorrow (I can tell you this because of my own loss of my husband 5 years ago). I will be praying for you -- may God give you grace and strength as you begin a new journey with Him -- know you are loved and will be in my prayers. Laurie Haskell - PSI , NT office.
