“ *To the Stratman family,*

Ms. Stratman was always open to talk, always willing to share how things were going, with her and the family, she always was a joy to see at church and, when I got to her pew with the basket, she always had a big smile and a warm hello. Every Single Time. It was quite the surprise when I heard the news, and I offer my deepest sympathies to you all.

“ *My mother, Frances Hirtz, thought a lot of Monnie. We lived so far away from IL; so they corresponded by letters. It is through the letters they kept each others informed. The letters stopped when our Mom could no longer communicate. Please know that the love was always there!*
