“ Nadia and I were friends at the USA building on the far west side of Aurora. We were in an exercise class together. I surely enjoyed her kind and loving manner and her Czech accent. I send my love to her family and I am so sorry I have missed seeing her for the last several years as I am now attending classes at the Vaughn center. The USA building closed abruptly several years ago and none of us had any opportunity to say goodbye! May she rest in God's peace. Sincerely, Audrey Fechner
