“ Mom will be greatly missed. She loved and devotedly took care of her family for many years. Mom religiously read every inch of the Beacon News and made swift and wise purchasing use of the coupons and sales. She could turn a \$100 item into a \$5 one at Carson Pirie Scott and would always turn out a delicious meal fit for a king. Mom and Dad shared 63 years of friendship and love throughout many adventures, from Dad in the Navy, raising us three children, to camping and traveling. I was blessed to spend some time with her and Dad last year. It was wonderful to witness Dad's love and devotion in caring for her. I loved being able to take her on walks around the block or on the Fox River trails. She would read every sign she saw out loud, whether the sign was stationary, backwards or on a moving vehicle. She always commented on the trails being “messy”, as I think she expected them to look like the well cared for yard my Dad always keeps. I love you Dad and Mom!
