“ *John, we wish to extend our sincere sympathies for the passing of your dear Mother Nancy. Your mother demonstrated her deep love for family and friends through the loving care she gave her own mother. She loved you dearly and is so very proud of you.

“ My grandma loved to shop, and when we'd get a good parking spot up front she would always say “we were meant to be shopping today”. I'll miss her so much and enjoying the little moments with her.
