*I just learned of Nancy's passing. To her family my sympathies. I worked for 20 years with Nancy at Heartland Blood Centers. When I first started there, Nancy told me a story of her beginnings at Heartland. She told me, "When I came to work at Heartland I decided I was going to quit smoking and lose weight. On my first day here they put an ashtray on my desk and said 'help yourself to the cookies'." Wonderful sense of humor!*

“ I remember the very fun times we had at picnics on the farm. Nancy was my older cousin that always let us younger kids hang around with her. The last year when I would visit a friend at Pineview I always stopped to see Nancy and we would talk about those good old days. She will be remembered fondly by all her cousins.
