“ I just saw a show that talked about what happened in 1981. I am so relieved that the person was caught before Chuck died. I assume he would have thought it may never happen. Happy it did, and happy Chuck seemed to have went on to live a full life happy with a family. Good bless.

“ I do not know the family . It is through social media. My heart goes out to the families ❤️ I lost my brother at 59 and a day doesn't go by that I don't think of him. Both families are so sweet and kind natured. It warms my heart that you are all there for another for support . Young man, I don't know you but I can see that you were a kind and loving man. RIP God Speed

“ Chuck was a great person. He was a great friend to me, my uncle, and the rest of my family. When my grandparents lived at their house across the street from Chuck he would come over to check on them and if something in the house needed fixing or the lawn needed to be mowed he did it 100% of the time. He was a die hard Cubs fan like me and him and my uncle got me to be a die hard Hawks fan and make sure I wouldn't miss any game. When I used to sit by the fire in his backyard with him and my uncle he would tell the funniest stories that made me laugh so hard I cried. Chuck was an amazing person and he'll be greatly and forever missed.
