“ I knew Nick prior to working at Nabisco eleven years. Also worked with him for 24 years. He was like a brother to me in so many ways. His Love of Family, Political issues, Union, and a gift to the Latin Community. Yes! A Union brother but also a brother from another Mother. He was very instrumental in working with the above. Always had a infectious laugh and yes we laughed a great deal and he had a huge smile. We had Union Picnic's and Christmas Parties that were a blast to all. So my Families condolences to Suely and Family. Nick will and is missed for the lives he touched. He will be with all you eternally!

Love Ya,
