“ Dear Marilee and Michelle, I have so many wonderful childhood memories involving your mom! When we were in 1st grade she encouraged Marilee to invite me over to play- it was my first “play date”, though we didn’t call it that then. She always made ham salad sandwiches when I came over, knowing they were my favorite! And I remember how she encouraged and helped us to plan and pull off that Fun Fair in your back yard to fundraise for the “pagan babies” - Catholic school for sure! And helped us make those Linco bleach bottle piggy banks and other prizes- the event was a huge success, I think your whole neighborhood of kids came to it! Wouldn’t have happened without Norm. Later on I remember thinking how sophisticated she was because she drank martinis! And I’ll never forget the time she gave me advice on friendship. She said some “friends” come and go, but true friends are friends for a lifetime. Well Marilee, we’ve been buds for 58 years now so I think we passed that test. My family and I will continue to keep you, Michelle, and your mom in our prayers. Love you, bud.
