“ My sincere condolences to Cindy and the entire Kane family. We had so many great times at Ownie’s house playing football, basketball and wiffle ball. He was talented, tough and highly competitive and made us all better. I will miss you old friend. RIP 🍀

“ When our family moved from OLGC to Holy Angels back in 1956 one of my first friends was Timothy Owen Kane. We spent lots of time — everyone spent lots of time — at Tim’s home on Garfield; and over the years I’ve been very fortunate to have friendships with each of the 9 Kane siblings. Ownie was a happy person with a great smile and always a friendly word. He will remain in many memories and will be sincerely missed.

“ Nancy had just moved to Tall Oaks Condominiums, to teach at East Aurora HS. A few of her new friends suggested she join them for a party, at an address, that sounded really close to her new apartment. Turns out the party was in Mr. and Mrs. Kane's condo, which was right below Nancy.

Mr. and Mrs. Kane were out of town at a Notre Dame football game. Ownie asked everyone at the party to wear one of his Dad's colorful suit coats. Everyone in attendance obliged and had a great time. The whole party then proceeded to LTD's.

While Red was not at the coat party that night, turns out Nancy began going to LTD's. Lo and behold that's where we ended up meeting.

Thanks Ownie, we could not have done it without you!
