“ *Earliest memories of Pat are when I met her when she was dating my brother Ed. I really got to know her when our dog Pete.....died in the backyard on hot summer day. Pat was so kind to me as my Mom and Dad dealt with our family dog's demise in the backyard. Pat held me and made me feel everything would be ok. I was so upset.....that was Pat. I am going to always remember my first memory of my precious sister in love.....*
