“ To Mike and family,

So sorry to hear of Pat's passing. She was an excellent administrator when we worked together in Neutrino all those years ago. She kept the atmosphere light and breezy! I remember those days quite fondly. We are out of town right now and won't be able to pay our respects in person, but you are in our thoughts.

“ *Dear Mike, Tom and I were so very saddened to learn of Pat's passing. She and I worked quite literally back-to-back in the same office in Computing. I enjoyed every minute of the time we spent together, solving each other's, the lab's and the world's problems. And, or course, Tom worked with both of you for many years. Our thoughts and prayers are with you at this sorrowful time. Tom and Karen Prosapio*
