“ What is there not to say about my Tia Paula. She was a simple and outgoing person. She worried, loved and cared so much for her family. I appreciate all she did for us and for my mom and uncles when my grandma wasn't around. Will never forget her sense of humor and how she loved to sing and dance. No one's tamales or bunuelos will be as good as hers which she made with so much love and care. She may no longer be here on earth with us but she will forever watch over us from above. Siempre la recordaremos con mucho amor y cariño con el que ella nos dio. Que Dios la bendiga. La queremos mucho Tia!!!
