“ Kirk and I are very sorry for your loss. We are so thankful that we were able to see and talk to him 2 years ago at the family reunion. I know that it meant a lot to Kirk to see his Aunts and Uncles. We were talking about Uncle Pete over the weekend and Kirk remembers when he asked him what he did for a living here in Las Vegas, and Kirk replied "I service heavy equipment", and Uncle Pete said oh your a "Grease Monkey". It will be a memory that Kirk will cherish about his Uncle. Kirk and Uncle Pete also shared a birthday.

“ He was a wonderful Dad. He was always there for me all of my life when I needed him. Sometimes I think he knew I needed help before I did. I've grown closer than ever the last 2 years living with him and taking care of him. In the end we were all with him saying goodbye. He leaves a big hole in my life but I know he is happy without pain and suffering with Mom. He went home on her birthday to be with her for the first time in 16 years. I'm sure she was close by waiting for him when he passed. I will miss you Dad. I will love you always and see you someday. You will be forever in my heart.
