“ I had the honor of working with Becky for many years at the Adams County Health Department. Becky was devoted to her profession and took great delight in watching people achieve their health goals. She made a difference in many lives! Becky was a wonderful friend and a devoted, loving mother to Zoe. We will greatly miss our dear friend.

Becky was always my favorite substitute teacher in school. She was so loving and caring. I miss her a lot because I know I would've had her so many times this year already. I pray for her family, and her daughter. Rest In Peace. I found out during school over the summer. :(

“ *Becky was a constant sub in our school in Meredosia and the kids were always happy when she was the substitute. This past year she was also a volunteer assistant track coach. The kids loved her! She had a gentleness about her and always had a genuine smile on her face. Students and staff both thought so highly of her that it's hard to wrap our heads around what happened. She will truly be missed. Prayers for peace and comfort for Zoe and her family.*

“ Rest In Peace Beautiful Friend! Becky and I met in college and then our path crossed again when I started working at the Health Department in Quincy! She was an amazing person to work with, whether we were teaching kids about healthy lifestyles, teaching healthy woman classes or working at health fairs, she was fun, energetic and always enjoyable to work with and a wonderful friend outside of work. My prayers go out to her daughter Zoe and her family during this heart breaking time. 😭

“ *Becky was my sub for 6 weeks when I was out for knee surgery. My students loved her so much. She and I were so excited when we knew we were both going to be in Hawaii at the same time we made plans to bump into each other and say hello. She was an amazing person who could light up any room. We even had summer plans to work together. I will miss her bubbly personality and bright smile. My thoughts and prayers go out to her family and friends.*

“ My family and I were deeply saddened to hear of Becky's passing. Becky and I worked together at the Adams County Health Department, and it was such a blessing when our paths crossed again as she began subbing at our children's school, Meredosia-Chambersburg. Over the past 5 years, she has had a tremendously positive impact on not only our children, but all the students at M-C. Her encouragement of the students was like no other, and she was easily our children's favorite sub. Her smile and laugh were contagious. Thank you Zoe for sharing your mom with all of the students in our district. She was so proud of you, and we loved hearing stories about you. Our family has and will continue to pray for Zoe and all of Becky's family and friends. Our deepest sympathy extended to all of you. Becky you will be greatly missed by so many.

“ Becky was our #1 choice every time we needed a substitute teacher at Meredosia! Everyone loved having her in the school! She always had a smile on her face which in turn made you smile yourself. She was so kind and patient with everyone. We are stunned and heartbroken knowing we will never see her walk through those doors again or hear her talk about her daughter and what she was up to. Our deepest sympathy and prayers go out to all of her family. She truly was one of the good ones!
