“ I am so sorry to hear about Rick. I worked with him in the Business Office at the library. He was a wonderful man with a gentle, caring soul. I enjoyed listening to his many stories about his family whom he loved dearly. Rick left a lasting impression with me and I will always remember his kindness (and love for the White Sox!)

“ I'm very sorry to read of Rick's passing. To say I found him to be a great guy would be a gross understatement. We'd always share memories (current or past) of the white sox at the ComEd Aurora office. I always thought I was their biggest fan...until I met Rick. I was lucky to have known him. He's the kind of person you don't forget. I won't.
