Dick was such an asset to many of us kids in Hinckley that worked at his grocery store. He helped me buy my first set of golf clubs and I played my first round of golf with him.

“ I just wanted to talk about another example of Mr. Edmeier’s kindness, generosity, sense of community, and willingness to help kids. In the late 1970’s, my FFA project was raising strawberries. I met with Mr. Edmeier to work out selling the strawberries at his store. He simply said he will take all I had and to keep them coming. With each delivery, Mr. Edmeier just paid me without counting the number of pints. There always seemed to be extra \$\$\$ each time he paid me. Sanish

“ My deepest sympathy to the Edmeier family. My first job was working for your dad at Edmeier’s. I have fond memories of working for your dad with Isabelle, Terry, Skip and Dan. Dick was a great boss. He had a big heart and was very generous to the community. He even catered our wedding reception. May loving memories bring you comfort and peace. Jane Hoffman Brickert

“ *Richard hired me as a 13 year old boy to bag groceries and stock shelves in his grocery store; my first real job. He was always hiring young boys & girls, and many of my high school classmates also worked for him. He was an awesome boss and a very generous man, donating food and time to the local churches.*

“ *My deepest sympathy for the Edmeier family. My Dad grew up with him in Aurora. When my parents moved to Hinckley, my Mom would barter with him with fresh asparagus we picked at our farm. I pray your many good memories give you comfort at this difficult time.*
