“ *I was very privileged to know Rick. Quickly he became a very important part of my family, my son, my daughter, & my husband. In particular, he made a strong connection with my 5 yr. old son. He was like a grandfather to my children . And he was a wonderful, dear friend to my husband & I. There will never be another Rick. RIP my friend. You will never be forgotten.*

“ I have so many memories of Rick, most of which I will treasure forever. He wasn't a perfect man, but he was always there for me. And he in the past year, he became a very important part of my best friend Rina's life & her 2 children's & husband's.
