“ Our deepest condolences for your loss, may God comfort you in this time of need.

“ *Richie,*
One of the most amazing things about you was your love and support of your family. I have been honored to be included in that and will miss you very much. While the hearts of your family are heavy and saddened from losing you I hope you know that you have filled all of them with countless memories that will soon lighten the loss and fill us with nothing but warm happy thoughts.

Enjoy the party, play lots of golf and keep a watchful eye on all of us as we will do our best to make you proud and give you something to boast about at all of the get gatherings up there.

"I am, I will" Until we see each other again.
