“ Randy. It was always a pleasure to spend time with your dad when he visited you and your family in Texas. I loved playing golf with him and I hope I can hit em as straight as he did when I am in my 80's. He, is one of the best card players I have ever known. I can only imagine what it must have been like to have him as a dad. I will lead the toast next year at your 4th of July in memory of a great man that will be missed.
