“ Mr Bob was always so sweet to us. He would “hire” little Adam to help him in the yard! He always had paint for me to borrow for the boys’ last minute art projects! You KNEW not to talk to him if the Bears didnt do so well! Lol. He taught me that you have to talk to the bushes and plants in the yard to make them grow! 😊 He would let Sadie come in the yard to chase the squirrels! His yard was always PERFECT! And he especially loved when Miss Mary and i would feed the stray kitties! 🐾 He also loved a great pizza! Luigis and Ach Lous may have been his favs!!! The sweetest man i knew And the best second Dad and Grandpa we could dream of having!!!!
