“ I am so sad to hear about Bob. My love, sympathy and prayers go out to the entire family. He was such a sweet and considerate man. His laugh was contagious and his generosity was beyond the imagination.

Thank you for letting me into your life Bob. He was always so caring with me like I was one of the family. He will be missed by me and many others that knew him. The angels have taken him away from us but he will watch over and protect his family forever. He is at peace now. God bless him.

“ *I am so very sorry to hear of Robert's death, I can't think of the words to say how I feel. I so wanted to meet him and I regret that I never did. I've heard so much about him I almost feel like he was my family. If I can do anything for your family please let me know. God needed him home and although he lives among the angels now he is with you every day to comfort you, to amuse you with his humor and you can draw from his wisdom when he gave you advice. There will be many time when you'll reflect and say "remember the time when" and you'll laugh. It's not easy, he will be missed but you will always have him with you.*
