Ron was a good man. He hired me back in 1969 and I remember my first Full time job, out of high school did not want to leave my desk for breaks or lunch , one day he came to me and said you need to take a break ,lunch and I told him I am slow being my first full time job I did not want to get fired, and he teased me and said I will fire you if you do Not take a break or a lunch. Ron told me saying, I am new never did anything like this and I will learn after a bit I got it along other stuff, then Ron would ask me to look up stuff for him cause there was a claim and needed info. I liked doing that kind of stuff and after a bit Ron had me looking up stuff for claims. I loved it. Ron was a good man, very considerate for his employees and treating everyone in the office to donuts usually on fridays. He will be missed. Rest In Peace Ron ! Pam Rutherford Carico🐾🌹

I chose the yellow candle because it was the closest to Brown (UPS) as I could get! Ron hired me in 1970 at UPS on Downer St in the basement in Aurora and was one of the best bosses I've ever had! I'll never forget, he used to make us turn in our pencil stubs, in order to get a new pencil! He was fair and funny and made quite an impact on the 16 year old girl that I was then. I continued working for UPS for a total of 38 years. Ron was one of the good guys! God Bless him and prayers for your family! Love, Kim Berger Carew

“ You all are in my heart and prayers, I am deeply sorry for your loss. I will always treasure the great memories of Ron's quit wit, his plethora of baseball knowledge, especially his beloved Cubs, and his deep love of his family. The world has lost a great man.
