

Rosemary Popek

June 28, 1952 - July 4, 2020

Rosemary Popek, age 68 of Frankfort, formerly of Chicago, passed away at Manor Care Health Services-Palos Heights East. She was born June 28, 1952, the youngest daughter of Ignacy and Stanislaw (Prucnel) Popek, in Austin Texas. For many years she worked at Latham & Watkins, LLP in Chicago and was a proud veteran of the Army National Guard.

Rose or Rosie, as she was lovingly known by her family and friends, was a friendly, thoughtful, person who could brighten your day with her one of a kind laugh. She was a great host and loved having those who meant the most to her over for her famous tacos, a game night, or a holiday. She loved her family dearly, especially her children and grandchildren.

Survivors include her daughter, Renee (Sherman) Franks and her son, Joe Orłowski; grandsons Ben and Zach Franks; siblings, Roma (late Stan) Baran, Marty (Peggy) Popek, and Helen Acosta; and many nieces and nephews.

She was preceded in death by her parents; sister, Bogusha Popek; and brothers, Wally Popek and Hank Popek.

A private family celebration of life will be held at a later date.

In lieu of flowers, her family will provide a memorial account, once

established, to support Manor Care Health Services and other charities that were near and dear to Rose. For more information you may contact the family at cathy-vaughn@comcast.net.

“ How do you say goodbye to someone who has played an important part in my life? How can you summarize the many memories and adventures with a beautiful person who always had a ready smile and listened when you needed a helpful ear. Rosie was all of these things. It would take a lifetime to recount the many times she was there for me. She made my life brighter. I will miss her every day of my life. I love you Rosie and now you will be with me as you are my angel in heaven. You know you're going to be hearing from me soon. love ya, sis

“ I have known Rose for a long time and I have so many wonderful memories of her and it breaks my heart that I cannot laugh with her again. Rose and other friends have played Bunco together for many years and we were silly women laughing, sharing our troubles and stories, but we were always there for each other especially Rose who always helped anyone in need. I will miss you my friend. Love ya, Joyce

“ I met Rosie in 2000 through a mutual friend and we became fast friends. Rose was the one who got me the job at Latham and we were friends for 20 years. We shared so much more than just work. My son Josh came to call her Aunt Rosie and loved her so much. She would come by after one of my many surgeries or procedures and bring food for him. He actually looked forward to me having surgery just so he could have her food. She was always so positive and happy and tried to make everyone around her laugh. She absolutely adored her grandbabies and loved to show off their beautiful pictures. She was so proud of Renee and Joe and the wonderful people they had become. Joe with his fishing and how proud she was that he was working and moving up in companies because he was so talented at repairing machines (appliances). I will miss talking with her and visiting with her because we could talk for hours and not even realize that so much time had gone by. Thank you Rosie for being such a great friend to me for 20 years.
