“ Grandma I love you. I am so happy you were able to sing and play with my Molly and Maci. You are a strong, sweet, and a loving woman. The sound of your voice made babies giggle and create a calm setting for anyone. No matter how poor you felt you were always chipper and happy. You taught me to love my babies, bingo can be played on any day, and bling should be worn everyday. I love you and I will always cherish our memories together.
