“ I received notice of Sally's passing from Rosary High School's Alumnae Director. I am thankful to be informed and so touched by the wonderful tributes to her. Seeing her picture takes me back 40 years instantly. I attended both grade school at Holy Angels and high school with Sally. She was such a sweet person - so unassuming and open. And man, did she have beautiful blue eyes and gorgeous blond hair! I was just as shy as she was, and when you're young girls, you don't always see or understand the personal challenges our peers may face. I don't believe we saw each other after school, and I've lived in California for the last 20 years. But my roots are still in Aurora, and hearing about all Sally has done and what she meant to others brings me right back home. Heartfelt sympathy to the Rice family. Sally is in her glory with the Lord. Laurie Miller-McNeill, Danville CA (daughter of Frank & Marianne Miller, Aurora, IL)

“ *To Dear Uncle Ransom and all of Sally's family: Though I have not been blessed to meet my cousin Sally and so many other of my cousins, my heart and prayers are with you all. This must be so hard for you and for her many friends and caregivers, too. It is good to read about what Sally loved to do and how sweet and beautiful a person she was. She struggled long and bravely with her illness, she was fortunate to be born into a wonderful family and to have such wonderful help and resources; I know you gave her all the best.*

God Bless you all and give you peace....

Love,

“ *I had the privilege of knowing Sarah and working with her over the past several years. She loved art, loved to sing, and could make people laugh. It will definitely be different walking the halls of TCHCC without her presence there. My thoughts are with your family through this difficult time. May Sarah rest in peace!*
