“ Sharon & Family,

I was so saddened to hear of Shirley's passing, we had all just had such a nice visit at my sister JoAnn's visitation, I had no idea that Shirley was having any health issues. It was truly a delight visiting with her and you, recalling old memories dating back to our childhood days. Shirley and I were both born in 1944, and what good times we shared, the laughs and stories we were able to recall at our recent visit. I extend to you our deepest sympathy, and we truly know your sister is now sharing her reward in Our Lord's arms.
