“ We went to school together and I remember being at your parents house on Watson St. When I was a kid. You helped me through my delivery with my 2nd son now 24 and I still remember you gave me a ham sandwich after he was born. You put your heart and soul into helping others. RIP Susan you are fondly missed.

“ Sue was by my side for both of my deliveries and make me feel like everything was going to be all right. I've never forgotten that even though my girls are now 32 and 27 years old. She will be missed and fondly remembered.

“ We sort of "shared" a name as I was "Suzanne" and you were "Susan" but I do remember you fondly when I gave birth to my last child in 1988. You were there to help me recover from a c=section and I will always be grateful. I hope all those children you assisted and have now gone to their Heavenly reward are there to play games with you.
