“Everything I am I owe to my mother...”
George Washington

Our Beautiful Mother

She was an amazing woman with a passion for life and embraced each day. She was the eternal optimist with trusting anticipation thru times of discouragement and hardship.

She was a woman of tremendous inner strength. Mom's legacy to all of us is the importance of Faith, Love of Family and Service to others. She taught us by example that her love for Our Lord was the cornerstone that cemented our family. We remember attending 3 masses on Christmas Day, family rosaries during May and October, helping the poor, sacrificing during lent, volunteering at school and church when needed, etc. etc. etc. Mom's love for her family was well known. She was at every celebration and every sporting event for her grandchildren and great grandchildren with her cow bell ringing proudly. Mom loved counting her blessings with everyone she encountered. She began I have 4 daughters, 4 wonderful son-in-laws, 10 grandchildren, 27 great grandchildren and two great great on the way! How Mom loved and believed in each of us as individuals was amazing! She and dad spent the majority of their lives in service of their church and country. They instilled in us the importance and the unexpected rewards for volunteering our services to those in need.

As I conclude my tribute to our dear Mother, we sincerely thank each of you for your warm expressions and feelings of the woman you knew our Mom to be. Many of you shared with us how her contagious laughter lit up a room and that she was always joyful.

Our Love & God's Blessings to all of you!

And to our Mama, sweetheart your loving spirit will live forever in our hearts
