“ Over the years in the Romanian enclave of Pigeon Hill, I had the privilege of numerous Bishie encounters. Always upbeat, full of energy and fun, Bishie was a delight to be around. However, I learned she could be feisty as well. Like the time she she shook her finger and scolded me for wearing a baseball cap inside St. Michaels Church while attending Frank Ardelean's funeral. But in true Bishie style, she did it with a smile on her face! I just figured it was payback for hiding her mom, Mrs. Hora's glasses while playing Bingo at the Phoenix Club back in my youth. Those St. George's Romanians were an ornery bunch!! The Hill lost another great one! Gods blessings to all.

“ *“Bishie”*

For thirty some years of my life Bishe and her family sat across from us in church every Sunday as our ‘family’ of parishioners gathered. I know I could recognize her laugh, her voice, from another room still today. I remember how she would come to our back door, any time of the day, and they would enthusiastically welcome each other. That generation of women, girlfriends, certainly had an unforgettable impact on us girls. I am better for having known each memorable one of them.

In loving memory, may she rest in peace. Mary Carole Gegeran Parks
