“ My sisters and I went on a bus trip to EWTN - Birmingham, AL in the year 2000. Sylvia was travelling alone on this particular bus trip. She asked if she could sit next to me since the only other seat available was next the restroom. She was officially our 4th sister on the bus trip and we enjoyed her company so much. Funny lady and just so friendly. She was a joy to travel with. Our condolences to her family. She was a joy to around!
