“ Tanner,
I cannot believe you are gone! My heart aches for you, your family and your children! I know you are up there in Heaven with Andrew like the good ole days when we all used to hang out at Funway and cause trouble!! I just saw you and it makes my heart sad to know I wont be able to see you anymore! You had always been there when I needed you, no matter what it was big or small. You had talked me out of a lot of trouble back then!! I wanna say thank you for being my friend and having such a positive impact in my life!! I love you bro, forever in my heart!! <3 <3 R.I.P <3 <3
