

Terrence J. Mulligan

February 1, 1937 - June 20, 2023

Terrence J. Mulligan, 86, of Sugar Grove, passed away Tuesday, June 20, 2023 at his home. He was born February 1, 1937 in Aurora, Illinois

Terry Mulligan had a passion for construction and masonry, he worked in various construction jobs before becoming a bricklayer. He learned on the job and eventually started his own company in 1973 with just a pick-up truck, a used mixer and \$1,500. Through hard work and dedication, he grew his company to be the 3rd largest masonry company in Illinois. His company won many awards for their work, one of them being the Naperville Public Library. Terry took pride in every job they did and loved the beauty of the finished buildings. He believed that masonry was the toughest and most physically demanding of all trades, but he loved doing it.

Terry belonged to the Chamber of Commerce, the Greater Chicago Masonry Contractors Association, the Mason Contractors of Fox Valley / Chicago National MCAA. During his time as Chairman, he led groups to Washington DC every year to talk to Congress about the needs of Mason Contractors. He believed that the ability to look at a building and know that he had played a part in its creation was the essence of his career.

As rewarding as his career was, Terry always believed that his biggest success in life was his family. He was a loving man and always put his family above all.

He is survived by wife of fifty seven years, Kathie (Seifert) Mulligan; two daughters, Susie (Christopher) Mabrey, Rebecca (Joe) Evola; three

grandchildren, Sidney Miller, Amanda (Tyler Goodson) Hoolehan, Kiara Evola; four great grandchildren, Jackson Hoolehan, Grant Hoolehan, Levi Goodson, Olivia Goodson; his sister, Kathy Mulligan; his niece, Mary Hubbard; his nephew Michael Mulligan and many cousins.

He was preceded in death by his parents, Thomas and Claire (Mateas) Mulligan; his brother, Thomas Mulligan.

“ Terry and I became friends in 1951 as freshman at Marmion. We did everything together through high school. We even met my wife Betty together two years later when we were all 16. He visited us as we moved around the country and almost made it to Alaska where we were stationed. Through all the years he and Kathie remained our best friends. He was an excellent businessman, and we celebrated his accomplishments with him. Terry was a true friend through thick and thin. We will miss him terribly, but will never forget him. Rest in peace my friend.

“ Terry was in our class at Mooseheart as his parents worked there so he was a “staff kid” but was always “one of us” because of his great personality. My condolences to Kathie and family.

“ Terry was a man of passion and accomplishment. Using his own capital and assuming his own risk, the guy’s hard work and drive were embodied in his redevelopment projects at 120 Gale Street in Aurora and the former 48 Insulation Plant in North Aurora. Terry was also a valuable member of the Sunnymere Board of Directors, where my mother was head administrator. His contractor connections and business acumen were key in their construction and maintenance issues. Goodbye to a truly unique and independent man. My condolences to Kathie and the family.

“ My condolences to the family, Terry was a really kind man and a good businessman too. I have worked at Frank Marshall Electric for years and I knew Terry through Aurora Contractors meetings and jobsites. Terry sat on the Board at Sunnymere where my mother was the Director, she told me stories of Terry pulling up in his car and taking my mom out to purchase landscaping materials and to just talk..... I have lights shinning on my backyard because Terry told me to install them to watch the snow fall in the winter---and how much he enjoyed that in his yard.
Peace for Terry.
