Tribute Wall

“ Terry was a great man hands down! I spent a lot of time with him in the garage working on cars and talking shop. He was the grandpa of my girls and my father in law. He will be missed but never forgotten. I will always remember his kind heart and sense of humor. He made a lasting impact on me my wife children and mother inlaw. Rip Terry you helped me become the man I am today and I will always take your advice and try and fill your shoes that are filled with love and good times.

“ *Terry was always giving to others like my parents, Joe and Monica Stratman. When my Dad was in the nursing home Terry would visit him and would check up on my Mom. I always enjoyed talking to him. He kept a positive attitude on life. He is missed by many whose lives he touched.*
