My wife and I are new residents at Crescent Royale and we didn't know Mr. Wulff but from all the tributes I feel we missed out on a really special friend. We will say a special prayer for the family.

“ Dear wonderful Wulff family,
Sue and I send our sincere condolences on the loss of Tom.

Tom and I first met in the summer of 1956. We got know each well, attended Holy Angels Grade School together, and spent many good times at 837 Hardin Ave with all of the Wulffs.

I was fortunate to be able to take over Tom's Tribune route on Labor Day, 1962 as he went off to Tulsa, OK to attend high school. Tom was a hard act to follow. He always delivered the paper correctly (the right address, on time and dry).

Conversations with Tom over the years always showed how much he loved what he was doing and how he was always interested in others.

He will certainly be missed. We were lucky to have shared experiences together with Tom.

“ Tom always stopped at my door 1D when he walked past to just say "hi" or ask about my home in Michigan just past Holland. He always wanted to help on any events that we had in the clubhouse at CR. Will surely miss him as well as your mom Nathlie. My condolences to the family on Tom's sudden passing.
. He will be missed at Crescent Royale!

“ Please accept this expression of sympathy on Tom’s death. I was so sorry to find his obituary in the Beacon.
I think my sister Ann was in Tom’s class at Holy Angels. Our moms were dear friends and St. Ann’s Unit members together.
Bill, a special hug to you.
I am unable to attend today’s service, but you all certainly are in my thoughts and prayers.

“ I was so sorry to hear of Tom’s passing.
When I visited with your family during various trips home, Tom would always ask “How’s Shell Oil?” or “How is Texas?” — and he was genuinely interested in what I had to say.

May he Rest In Peace with a cold PBR and his toes in the sand.

Love,

“ Tom was one of the kindest, most thoughtful, and generous persons I have ever met. Every year we got a current railroad calendar and a new pair of gloves for Ken to use while working in the yard at Crescent Royale. And Tom always pitched in. He loved shopping with us to get the food and supplies for CR parties and helping to set up for the events. Costco was a favorite where he could visit the food stations and enjoy “lunch”. We will miss him deeply. Our condolences to all of the Wulff family.

“ Going to really miss Tommy! We'd sit on his lanai at Crescent Royale... Tom would be drinking a PBR, I'd be drinking my Bud Light, and Judy would have the Arizona Sweet Tea that Tom always kept on hand for her. We'd plan our next golf outing, joke about the traffic jam on the street below and discuss the day's events. Tom's passing leaves a hole in our hearts.

“ Tom was a wonderful man and neighbor. He welcomed us to the neighborhood when we moved in and shared local information with us to help us settle in. When my mother and I became the only ones in our house Tom became a guardian angel in good and bad weather bring the newspaper to the door and/or bringing the refuse cans to the garage especially when I was still working. And always he was there to talk and share information. I will miss this gentle, kind man.
